2020, the best year ever for EURAO. Thanks everybody!

One month before the end of the year, **EURAO's** annual financial results promise to be the best to date: income item beats previous records and expenses are half of last period.

EURAO membership expenses/income norm. (€)

From the spending point of view, due to the pandemic, **EURAO** did not attend the HAM RADIO exhibition (it was canceled), nor did it travel to face-to-face meetings of international bodies (CEPT, ITU, ...), although it is participating, more than ever, in their meetings, via videoconference.

On the other hand, *individual membership* income has skyrocketed, in part due to the offer of a new service: the **Radio Amateur Insurance**, with great success.

The *association membership* remains stable while the *clubs&groups membership* is also slightly up from the previous year. All together are a very great team!

Radio Clubs of the World Sprint Contest 2020: final results nuevo

The so-called **EUNET Sprint Contest**, for short, was held last **November 8** for the tenth time with the record of participants in radio amateur category from five countries: Italy, Portugal, Spain, Russia and Cuba. The latter provided a new continent and multiplier.

In *radio club* category the winners have been: **EA5RKJ**, **EA3RCI** and **EA1RCG**; and in the *radio amateur* category: **EA7YV**, **EA4GJP** and **EA1OK**.

All of them will receive the deserved prizes before Christmas. Congratulations and hope to hear you next year!

Newsletter issue: 2020-12-01

EURAO is stakeholder of:

EURAO member associations

EURAO Party - Autumn 2020: catching Christmas stations

The **European Radio Amateurs' Organization** announces a new party on the air, this time with the motto: "*catching Christmas stations*". Remember this is not a contest, it is just a radio meeting with a few simple 'rules', better to call them recommendations.

Purpose: The tradition of **Santa Claus** and the spirit of **Christmas** have reached the waves in recent years. At this season some stations with special suffix go on air, like **YP2XMAS**. Also others with their regular suffix join the event. Pay attention to their unusual call! And do not miss the opportunity to participate with children.

Date & time: from December 1st to 31st, 2020, 00:00-24:00 UTC.

Bands & modes: all modes and frequencies, mainly in HF bands, but not only. [EFG](#).

Call: "CQ EURAO Party Ho-Ho-Hooo".

Exchange: because this is a QSO event, not a contest, you can talk about whatever you want, in any language, and for as long as you like. Here are some topic suggestions to get the conversation going: name, city, locator, weather, antennas, rigs, etc.

Malta added to CEPT Radio Amateur Licence

new

At the request of **EURAO**, in mid october it was approved a modification of CEPT Recommendation T/R 61-01, also called CEPT Radio Amateur Licence, during the web-meeting WGF#97.

This modification itself was considered a simple editorial amendment and added Malta to the list of administrations in

Annex 2 of this recommendation because it recently (2020-01-10) implemented this recommendation at the national level.
