## 2013 Activity Planning and International Expansion...

New year and new global challenges for **EURAO** members. Among them, a lot of radio activities to share world wide on the air: **Europe Day** (9 May), **VRA Activity Day** (19 October), **EANET Sprint Contest** (10 November), etc. Stay tuned to our weekly email flash news to find out more.

Also our presence at **HAM RADIO** fair (Friedrichshafen, 28-30 June), where we are going to hold the second **EURAO Meeting**.

**EuroBureauQSL**, the EURAO's QSL Bureaus Network, added lately new entry points in the following countries: the Netherlands, Germany, Italy and Russia. Who will be the next? Have a look to

the [operating conditions](#) proposed recently and decide yourself.

Since last year, when opening the chance for *individual members*, hams all over the world trust **EURAO** concept and joined us in the making of this global community, despite language differences and physical distances.

The picture below shows where there are *member associations* (red) and *individual members* (light blue) until now. Thanks to all for your support!

## About our members...

### [Vlaamse RadioAmateurs, ON4VRA](#) nuevo

**VRA** is an association for radio amateurs in Flanders, the Dutch (=Flemish) speaking part of Belgium, born in 1998 as a fusion of two other ones. It runs a monthly pdf publication to keep its members informed on all topics of amateur radio and changes in legislation. **VRA** distributes QSL cards and their local clubs organize formal courses to new radio amateurs. **ON4VRA** brings the latest news through radio and internet transmissions, including streaming TV, every even Sunday at 10:00 local time. <http://www.vra.be>

### [Union Francophone des Radio Clubs](#) nuevo

**UFRC** is an association for radio amateurs in the French-speaking part (Wallonia) of Belgium, founded in 1968 but with current name since 1999. Together with **VRA** established the **FRA** (Federation of Radio Amateurs in Belgium) with the aim of defending interests of their members, coordinating activities and sharing services, specially a common QSL bureau for both. <http://www.ufrc.be>
