[EURAO on the road in Ireland](#) nuevo

Thanks to **Collective Communication Amateur Radio Club, EI3CC**, this year you can see its camper circulating on the country's roads, in rallies and outdoor activities, showing the **EURAO** logo on their rear doors.

The RCU (Radio Control Unit, as they call it) goes up and down, visiting scouts, activating mills, encouraging kids into the science of hobby, and even doing some QSOs on the QO-100 satellite.

This year they also crossed the border into Northern Ireland to attend the Lough Erne Radio Rally (Enniskillen) together with the Galway VHF Group. The welcome from the hosts was excellent, and for sure they will repeat it in future editions.

If you see them on the roads, give them a CQ.
